OwlCrate Jr.'s Book of the Month  
"A fanciful adventure with a rich emotional core and a fairy tale flair" — Publishers Weekly

**QUINTESSENCE** is a STEM and magic-filled story about a lonely girl's quest to save a fallen star with the help of three friends, a wondrous telescope, and a book of alchemy. A tale of self-discovery, connection, and the inexplicable elements that make you you.

**Coming May 4, 2021!**

**THE ADVENTURE IS NOW** is a fun-filled, action-packed story about a boy who learns about protecting the environment, finding real friends, and living in the now while spending the summer on a remote island. Complete with a clue-filled, illustrated field guide of the Lone Island's plants and animals!

## AUTHOR VISITS

**Author visits are an amazing way to get students excited about reading and writing!**

As a former therapist and psychology teacher, Jess has experience creating presentations that are hands-on, engaging, and fun for participants of all ages. Her most popular presentation, *FROM BRAIN TO BOOKSHELF*, covers topics like finding ideas, revising, and the publication process, as well as the author's own writing journey and a Q&A with students. Visit her website [www.jessredman.com](http://www.jessredman.com) for more information and for teaching guides, book trailers, character quizzes, and more!
